

This Program is available to eligible new Dexcom patients who purchase a Dexcom G6 Continuous Glucose Monitor (CGM) System from Dexcom directly at [www.dexcom.com](http://www.dexcom.com) or through a Dexcom authorized distributor and complete the new patient survey. A new system must include the purchase of a transmitter, receiver and at least one box of sensors. Purchase must be made no later than December 1, 2020 and must be paid for in full. Patient must also provide proof of former Abbott Libre wear. This Program provides to the new patient timely completing the requirements a payment of \$200 in the form of a cash gift card. To obtain the payment, a new patient must visit [dexcom.com/promo](http://dexcom.com/promo) and provide name, email, mailing address, date of birth and transmitter number of their Dexcom G6 transmitter, as well as proof of wear of Abbott Libre. By requesting a payment under this Program, you are certifying that you meet the eligibility criteria and will comply with the terms and conditions described in the Eligibility and Restrictions section below. Patients with questions about this Program should call 800-286-9146.

#### Eligibility and Restrictions

Valid for all patients other than the following who are not eligible for this Program:

- Not valid for purchases that are subject in any part to reimbursement by Medicaid, Medicare, Tricare, or any other federal or state health programs (such as medical assistance programs);
- Members of a Kaiser Permanente Health Plan, and any other health plan or insurance contract that prohibits this Program;
- Residents of MA, SD and any other state where prohibited by law, and persons residing outside the United States and Puerto Rico;
- Patients who have purchased a Dexcom CGM system or supplies for a Dexcom CGM system at any time in the two years preceding the patient's order for which the patient is seeking a payment under the Program.
- Patients who have never worn/purchased Abbott Libre CGM system.
- Eligibility period is for purchases made between January 6th, 2020 – December 1, 2020. Must provide proof of purchase and complete new patient survey by December 31, 2020.

Limit 1 offer per patient. It is illegal to (or offer to) sell, purchase, or trade this offer. This promotion is not transferable and cannot be combined with any other programs, offers or discounts. Void where prohibited by law or taxed or restricted. Program managed by Global Promotions Service on behalf of Dexcom. Redemptions to be fully processed within 10-12 weeks. Dexcom reserves the right to rescind, revoke or amend this offer without notice at any time.

†† If your glucose alerts and readings from the G6 do not match symptoms or expectations or you're taking over the recommended maximum dosage amount of 1000mg of acetaminophen every 6 hours, use a blood glucose meter to make diabetes treatment decisions.

† Separate Follow App required.

**BRIEF SAFETY STATEMENT** Failure to use the Dexcom G6 Continuous Glucose Monitoring System (G6) and its components according to the instructions for use provided with your device and available at <https://www.dexcom.com/safety-information> and to properly consider all indications, contraindications, warnings, precautions, and cautions in those instructions for use may result in you missing a severe hypoglycemia (low blood glucose) or hyperglycemia (high blood glucose) occurrence and/or making a treatment decision that may result in injury. If your glucose alerts and readings from the G6 do not match symptoms or expectations or you're taking over the recommended maximum dosage amount of 1000mg of acetaminophen every 6 hours, use a blood glucose meter to make diabetes treatment decisions. Seek medical advice and attention when appropriate, including for any medical emergency.
